## MEMORANDUM

TO - District Materials Engineers

FROM - Charles A. Babish, PE, State Materials Engineer 

SUBJECT - Legal Load Certifications for Trucks Hauling Material for VDOT

This memorandum serves as notice that any truck legal load certification made by VDOT personnel (Form TL-101A) that has or will expire prior to December 31, 2009, shall be extended to be valid through February 1, 2010, so long as the configuration of the truck on which the certification was made has not changed.
