Pavement Marking Incentives 2016 VAA Fall Asphalt Conference

General Observations – Lynchburg District

- **Improvements experienced with regard to timeliness of pavement markings**
- **Incentives received across all contract types (PM, SY and Latex)**
- **Substantial work remains for the season – continued positive experience is expected**
- **All eligible contracts for 2017 will continue to include marking incentive**

Pavement Marking Incentives 2016 VAA Fall Asphalt Conference

General Observations – Statewide

- **General consensus is that improvements were experienced with regard to timeliness of pavement markings**
- **Wide variability of payment for pavement marking incentive amongst the districts**
- **Early season resurfacing appears to have resulted in higher percentage of incentive payments (less work ongoing)**
