

# Richard J. Schreck Scholarship Program

## Background

The Richard J Schreck Scholarship, titled the Virginia Asphalt Association Scholarship at the time of its inception, was initially established to assist dependents of VAA member companies in furthering their education beyond high school. The award's moniker was altered in 2017 to the Richard J Schreck Scholarship to honor Richard's 36 years of service as Executive Vice President to the Association.

Today, the program is managed under the auspices of the NAPA Research and Education Foundation (NAPAREF) Scholarship Program, a 501(c)3 organization. Only dependents/spouses/employees of VAA member companies are eligible to apply. Eligibility includes all incoming freshman, first-year attendees at post-high school institution (i.e. trade school, colleges, universities). Also, those students currently enrolled in post-high school institutions may apply.

The scholarship is awarded annually in the amount of \$5,000 to as many students as scholarship contributions made by individuals or member companies for that year will allow. These awards have grown from 2 given in 2016, to 5 in 2017, and 9 in 2018. The scholarship committee hopes to continue growing the number of students who receive scholarships each

year as more support is received from the industry and association members, and new criteria is added to the application process to broaden the net of potential recipient candidates.

## Donation Process

VAA Members are encouraged to make donations at the beginning of the calendar year. Recommended individual donation amounts are \$500, \$1,000 and \$2500 or greater; however, no amount is too small. Beginning in 2019, donation levels have also been set for both individuals and/or companies that wish to give. Those levels are the following:

**Doctorate Level:** \$5,000 or greater

**Masters Level:** \$2500 - \$4999

**Bachelor Level:** \$1000 - \$2499

**Associate Level:** \$999 and below

Donation reminder announcements will be sent to member companies during the third quarter of the calendar year if needed. All contributions will be voluntary and may be tax deductible. Donations must be made to the NAPA Research and Education Foundation (NAPAREF) and designated for the VAA Scholarship Fund in order to be tax deductible. Checks must be made payable to NAPAREF not VAA or they will be returned to the donor.
