

Virginia Asphalt Association FALL ASPHALT CONFERENCE

October 7 - 9, 2013
The Jefferson Hotel
Richmond, Virginia

<http://www.vaasphalt.org/vaa-conferences/>

The Virginia Asphalt Association will host the 26th Annual Fall Asphalt Conference, in Richmond, on October 7-9, 2013. This conference allows our asphalt industry members to come together with state and local government personnel as well as private industry representatives to review the current paving season and prepare for the upcoming year. Our partnership with VDOT and hosting this conference has allowed Virginia to stay at the forefront of paving and production technology even during the current economic troubles that face our nation and the state.

Some of the issues that will be addressed are the current opportunities associated with the new transportation funding and the implementation of MAP-21. In addition, we will look at the potential specification changes for 2014 and the research underway that will benefit the traveling public. Finally, the best paving projects of 2012 will be recognized. Register soon and take advantage of the early registration fee (prior to Sept. 2, 2013). We have arranged a room block at the Jefferson Hotel. Rooms will be \$180.00 a night (register prior to Sept. 16, 2013). ***All registration and on-line payment (including payment by credit card) can be done at our new website: <http://www.vaasphalt.org/vaa-conferences/>*** We look forward to seeing you at the Conference.

Who Should Attend?

- Contractor management including field superintendents and quality control personnel
- Material suppliers
- Pavement marking companies
- VDOT central office and district management staff as well as materials technicians, pavement managers/technicians and inspectors
- FHWA area engineers
- Local government inspectors and public works directors
- Consultant quality managers and inspectors

Virginia Asphalt Association Invitational Golf Tournament

Join us for the VAA Golf Tournament and Barbecue on October 9th at Independence Golf Club. Set up your team or VAA can do it for you. See the golf registration insert inside this brochure.
